

2025 Jackpot Guidelines/Rules

Entry Fee is \$2,200 and must be received on or before July 1st, 2025.

Entry can be submitted at stephensoncountyfair.org and all entry fees must be sent to...

StephensonCounty Fair Association
2250 South Walnut Street
Freeport, IL 61032

- Entries must be received at the office within **10** days of submission for them to be considered valid. Due to time constraints, there will be a maximum of **60** total entries across all classes in each session. For instance, if there are **4** pulling classes in Session 1, the combined total of entries across those classes cannot exceed **60**. (Not per class)
- A minimum of **5** tractors must be entered for a **Jackpot purse** to be available. If there are fewer than **5** entries in a class, the entry fees will be refunded at the pull. **Jackpot purse** checks will be distributed immediately after the session concludes.
- To stay updated on **jackpot** contest entries, check the **Midwest Summer Nationals** Facebook page, where the entry list will be updated twice a month. Entries will only be considered official and added to the list once the entry fee has been received.
- Participation in the **Jackpot purse** is not required for the **Midwest Summer Nationals Pull**. If you choose not to enter the **jackpot**, you can simply pay the standard entry fee for **Badger State, Pro Pulling League or ITPA** and receive the regular payout. Please note that the jackpot is **not** affiliated with these pulling organizations; it is an independent prize offered in addition to the regular purse.

New for 2025

Truck & Tractor Pull Jackpot Purse

\$2,200 Entry Fee

Prize money is based on entries per class. It will be more if there are more entries and less if there are fewer entries.
